

## Rental Agreement for Bounce Rentals LLC

### 1. Payment Information:

We accept PayPal and credit card payments for deposits. We will provide you with a payment link upon booking confirmation. You can also find the link on our website to submit the deposit payment online. On the day of delivery, we accept PayPal, Venmo, cash, or checks.

### 2. Capacity and Safety:

The maximum number of children in a bounce house at one time is typically around five to six, depending on their size. For safety, please separate older children from younger ones inside the bounce house. Manufacturer recommendations are also posted on the unit.

### 3. Rental Duration:

Your rental includes a guarantee that the equipment will be delivered and ready for use at least 90 minutes prior to your event. If you require an extended rental, please contact us at 603-404-4984. One-day rentals are up to 12 hours, while three-day rentals usually extend from Friday afternoon to Sunday evening or may include a Monday for holiday weekends.

### 4. Delivery and Setup:

Yes, we provide delivery and pickup services. Setup is included in the advertised pricing. Upon delivery, you'll need to show us the set-up location and power source. There is an expectation upon heavy rains that you will power down the bounce house and cover it with the provided tarp.

### 5. Setup Instructions:

We are happy to provide instructions for setting up and breaking down the bounce house upon request. For additional savings you can set up and take down the bounce house yourself.

### 6. Safe Setup Locations:

Bounce houses should be set up in safe locations free from potential hazards such as fire ants, exposed roots, rocks, and pet waste. The ground should be firm and relatively level. Avoid low-hanging branches. Grass is recommended for setup as it provides some cushioning in case of falls. Ensure the setup is within 75 feet of power outlets. You must obtain the property owner's consent for setups at private homes and check for underground items that our stakes might hit.

#### 7. Prohibited Items:

Silly String is strictly prohibited in the bounce house. A cleaning fee of up to \$50 may be charged. We also recommend mowing your lawn a day or two before setup to avoid grass inside the bounce house.

#### 8. Equipment Cleaning:

Our cleaning process includes exposing the equipment to sunlight for natural disinfection, thorough vacuuming, and disinfecting with natural cleaning products. Safety is our top priority.

#### 9. Shoe Removal:

All participants, including children, must remove their shoes inside the bounce house and on the slide for safety and equipment preservation.

#### 10. Damage or Loss of Equipment:

You are expected to return all rental equipment in the same condition it was received, except for expected wear and tear. If equipment is damaged due to negligence or goes missing, you will be responsible for the cost of replacing the item or items.

#### 11. Cancellation and Rain Policy:

Cancellation or rescheduling must be done with at least 48 hours' notice before the event start time. Cancellations with less than 48 hours' notice will incur a 20% cancellation fee, and cancellations within 24 hours will result in a 40% cancellation fee. Once delivery has begun, attempts to cancel forfeit any refunds, discounts, or rain checks. Rescheduled events are subject to availability.

In the event of rain during your rental, please turn off the equipment and cover it with the provided tarp. You can resume use once the rain stops. If we cannot set up due to inclement weather, we reserve the right to cancel the rental, and you will receive a full refund.

We understand the disappointment of weather-related issues, and we will contact you more than 48 hours in advance if rain is expected in the forecast.

By signing below, you agree to return the rental equipment in the same condition as received, and you accept the terms of this rental contract.
